

Memorandum

MIAMI-DADE
COUNTY

Date: June 2, 2015
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(F)(9)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Access the State of Florida Contract for Medium and Heavy Trucks

Recommendation

It is recommended that the Board of County Commissioners (Board) approve accessing the State of Florida competitively-established contract, 070-700-11-1, for the purchase of medium and heavy duty trucks. The Water and Sewer Department is accessing this contract to purchase eight (8) dump trucks and one (1) asphalt repair truck. The trucks will be used to support operations throughout the Water and Sewer Department's vast water treatment infrastructure. More specifically, the dump trucks will be used to assist Water and Sewer Department personnel with the transport of equipment and debris such as broken concrete and asphalt. The asphalt repair truck will be used to patch roads excavated for the restoration of sewer infrastructure.

With the exception of one (1) new dump truck, the other heavy duty vehicles are being purchased to replace existing heavy equipment that have reached the end of their useful life and will be retired. Accessing this contract is the most cost effective procurement method for the County, as the State of Florida contract offers the lowest prices found in the market place for the needed trucks.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the 16-month contract term is based on the cost of the vehicles to be purchased and is as follows:

Total	\$ 1,111,000		

Track Record/Monitor

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.
